

Blissfield Chamber of Commerce One-Page Websites

Blissfield Chamber of Commerce is offering members who have no web site and desire a web presence, an inexpensive solution. For a one-time cost of \$100, the Chamber will author and host on the Chamber's web site, www.blissfieldchamber.org, a one-page web site. For samples, please look at:

1. <http://www.blissfieldchamber.org/Webpages/Packrat/> or,
2. <http://www.blissfieldchamber.org/Webpages/Patina/>

The site may include the following...

- up to 300 words and provided by you
- up to 6 pictures of your choice
- link to your e-mail address
- your address, phone and fax number/s
- a title graphic to match your current font on business cards or other advertising pieces. (see the title on the *Patina* site)
- your choice of either Arial or Times New Roman font. These are two “web-safe” fonts, sure to be read by all those who look at your page.
- your choice of colors
Look at http://oreilly.com/catalog/wdnut/excerpt/web_palette.html) for 216 “web-safe” colors. Use these colors to coordinate with your logo or other advertising pieces you already use.
- one or two, one-page pdf documents, that can be downloaded by visitors to your site
Examples of such documents could be a simple brochure, customer information sheet, simple order blank, etc. These documents are to be provided by you in Microsoft Word, Microsoft Works or Adobe pdf format. If necessary, we can convert these to pdf format for you.
